We build quality into every component of our Amana[®] Distinctions[®] brand heating and air conditioning products. That's why our **Amana Distinctions brand DGSX13 Energy-Efficient R-410A Air Conditioner** has a Seasonal Energy Efficiency Rating (SEER) of 13 — an improvement in efficiency over many of the lower SEER units installed in homes today. With an **Amana Distinctions brand DGSX13 Air Conditioner**, your savings, versus a lower SEER unit, can add up very quickly — especially in hot weather, when energy use can increase dramatically.

The savings start with our efficient condensing coil design. We use only high-quality rifled copper tubing and corrugated aluminum fins, which withstand the corrosive effects of moisture and extreme temperatures. Our coil design provides more cooling surface. Additionally, every coil that goes into an **Amana Distinctions brand DGSX13 Air Conditioner** is thoroughly tested.

Quality You've Come to Expect from Amana Brand Products

In addition to outstanding energy efficiency, the **Amana Distinctions brand DGSX13 Energy-Efficient Air Conditioner** provides you with the following benefits:

- Chlorine-free R-410A Refrigerant
- A louvered sound-control top
- A factory-installed filter drier that keeps moisture and debris out of your system
- A louvered cabinet made of heavy-gauge galvanized steel that protects the coil while its appliance-quality, post-paint finish resists the effects of weather and time
- An attractive design, finished in an Architectural Gray color, that complements any home environment

Premium Comfort

We back the quality of our **Amana Distinctions brand DGSX13 Energy-Efficient Air Conditioner** with the following:

- **A 10-Year Parts Limited Warranty* on all functional parts**

Additional Information

Before purchasing this appliance, read important information about its estimated annual energy consumption, yearly operating cost, or energy efficiency rating that is available from your retailer.
