DGSX16 Air Conditioner

R-410A Refrigerant
Up to 16 SEER

We build quality into every component of our Amana® brand heating and air conditioning products. That's why our **Amana® Distinctions® brand DGSX16 Energy-Efficient R-410A Air Conditioner** has a Seasonal Energy Efficiency Rating (SEER) of up to 16. With an **Amana Distinctions brand DGSX16 Air Conditioner**, your savings, versus a lower SEER unit, can add up very quickly — especially in hot weather, when energy use can increase dramatically.

The savings start with our efficient condensing coil design. We use only high-quality rifled copper tubing and corrugated aluminum fins, which can withstand the corrosive effects of moisture and extreme temperatures. Our coil design provides more cooling surface, which further increases efficiency and decreases your energy bill. Additionally, every coil that goes into an **Amana Distinctions brand DGSX16 Air Conditioner** is thoroughly tested.

Quality You've Come to Expect from Amana Distinctions Brand Products

In addition to outstanding energy efficiency, the **Amana Distinctions brand DGSX16 Energy-Efficient Air Conditioner** provides you with the following benefits:

- Chlorine-free R-410A refrigerant
- A high-performance, high-efficiency compressor
- A factory-installed liquid line filter drier
- A louvered cabinet made of heavy-gauge galvanized steel that protects the coil while its appliance-quality, post-paint finish resists the effects of weather and time
- AHRI certified

Additional Information

Before purchasing this appliance, read important information about its estimated annual energy consumption, yearly operating cost, or energy efficiency rating that is available from your retailer.

Outstanding Limited Warranty Protection*

The **Amana Distinctions brand DGSX16 Air Conditioner** is protected by our Limited Warranty Coverage.*

- A 10-Year Compressor Limited Warranty*
- A 10-Year Parts Limited Warranty* on all functional parts
